“Very many thanks for a fantastic well organised event, the marshals were excellent with their directions and support. My first triathlon and what a buzz looking forward to doing Liskeard now, the bike ride was a toughy with the gale force winds. I am no longer a triathlon virgin!

“A 'bit windy' Hmmmm possibly the understatement of the year ! That was the scariest bike ride ever, I nearly cycled straight home !!! Yvonne I do have a complaint about the marshals, too friendly, too helpful and too encouraging ... It needs to be stamped out, I don't want to see that again next year x”

"I just wanted to write and thank you for a wonderful experience at the Penzance Tri. From your various emails keeping us informed at all times, to Ian's fantastic session last Saturday, to the wonderful swim Marshall who was so patient and supportive when I told her I'd only been swimming since December and would take a while, and to each and everyone of your terrific encouraging Marshals who took the time to shout out your name in support...it has been brilliant. I understand you keep going for 24 hours so enjoy your rest and I'll see you next year....I've already entered Bodmin and Wadebridge so hopefully that swim will be quicker....thanks again."

Mark B

"I was on the road in the car this morning round most of the route and I can tell you it was very very well organised and was totally safe for drivers and competitors alike... there were marshalls everywhere, easily visible and cars slowed in plenty of time to allow the race to be so successfull... well done guys.."

Mandy S

"thank you to the marshalls, it was a really nice touch to have them shouting your name out. They were all so enthusiastic and supportive!

Jennifer P

“Thank you for organising such a fantastic event. Although I was the slowest finisher, I feel really encouraged to have completed it.

The Saturday training session with Ian was incredibly helpful in answering the little questions, and giving an overall sense of the day- which meant less worry on the actual day. It was also good to meet other competitors.

There were lots of ‘little touches’ which contributed to the overall friendliness of the event- the creative goody bag, the smiley face on the race numbers ... and please thank the lovely lady who recorded my swimming. I was embarrassed about my time, but she put me at ease. I started swimming almost from scratch in January.

I’ll definitely be entering next year, and will have worked on my swimming!!

Best wishes, and thanks to all the marshals who stood in the wind- at least the competitors were warm”

Dave P

“Just a quick email to say well done and thank you for a fantastically run event on Sunday.

Definitely got the bug for more now!

Had a great last few months training with the club - you've all been so welcoming. You're passion and enthusiasm is an inspiration to train and my final placing was down to the support and coaching from you, Viv, Phil and Ronnie etc. “

I've had my rest day - back in training today!”

Gary R

“Just wanted to say thank you for a brilliant event on Sunday. The first event of only our second year taking part in triathlon but can honestly say MBH event is one of the best we've done! Well organised and everyone was so friendly and helpful. The marshals were great too.

Shame about the weather- hope next year will be better!!”

Hannah C & Ian W

“thanks for all your efforts in the PZ tri. Really well organised and such quick results! I have just about got over the hairy scary bike ride!!”
